

2015 Members Excursion to St. David's Church

The 2015 Annual Members Excursion took us to St. David's Episcopal Church in Wayne. The church was celebrating the 300th anniversary of the laying of the cornerstone of the old building. We joined members of the King of Prussia Historical Society and the Radnor Historical Society in the recently renovated (now air-conditioned) old sanctuary for a very informative presentation by Sexton Michael Merrick on the fascinating and long history of the church and grounds.

Following his talk, the group gathered for conversation and refreshments, including the traditional delicious tea sandwiches and seasonal beverages, and intrepid visitors were encouraged to brave the summer temperatures and explore the grounds, and in particular the surrounding churchyard that holds the graves of many noteworthy figures, including General Anthony Wayne and members of his family, Reverend William Currie, and Hope Montgomery Scott. — JOS
